

# Research Career Advice Event

for all MDHS faculty Honours, Masters and Graduate students.

## Invited speakers:

A/Prof Andrew Allen (*University of Melbourne*)

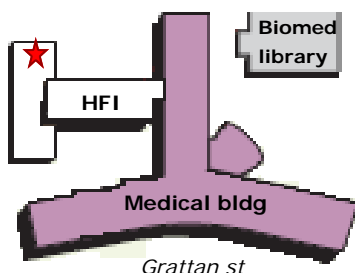

Dr Julie McMullen (*Baker IDI*)

Dr Julian Heng (*Howard Florey Institute*)

and Dr James Bell (*University of Melbourne*)

8th October at  
5pm

North Meeting Room  
Ground floor  
Howard Florey Institute

Keep hearing the same old question

*"So what'll you do when you finish your PhD?"*

And tired of the same answer

*"Uh..."*

**Then you need to come to our research career event!**

- Speak to scientists from varied career paths about career development and some of the options that exist in the world after thesis.
- Find out how to get the edge on other postdoc applicants.
- Or just come along and mingle with like-minded individuals and think about whether a life in research is for you.
